Lender:	ROC Capital (Bridge Financing) 645 Madison Avenue, 19 th Floor New York, NY 10022 Loan amount: \$12,120,000	

PILOT Application Summary: Mr. Sorotzkin's entity, Capstone Hillcrest LLC acquired Hillcrest Apartments, which is currently in the PILOT program in November 2022. This application is being submitted as part of the acquisition of a portfolio of 3 properties: The Reserve at Mount Moriah, The Lakes at Ridgeway, and Stonegate. All three properties are included in one purchase agreement, and the ownership entities of each will have similar or identical ownership structures. Each property will operate independently, and the Applicant is requesting PILOT approval on all three. If these applications are approved, Capstone Realty and Management, through affiliated, single purpose entities, will own and be PILOT Lessee on 4 area projects. This property consists of 208 units. The property is currently in a declining condition and requires a large investment to bring the property back into good condition. The Applicant intends to invest over \$4,000,000 in renovations to the units and the common areas of the property. Years of deferred maintenance are catching up with the property, and this investment will drastically improve the condition of the property and the livability of the property for the tenants. Without the PILOT, the Applicant would invest significantly less capital in the project and would focus on unit repairs and the most pressing deferred maintenance. With the support of the PILOT program, Applicant will be able to deliver a number of tenant benefits that will immediately impact the lives of these residents. Further, the Applicant will be able to keep rents at an affordable level for its residents in the Target Market.

At a minimum 40% of the units (83) will be reserved for and rented to individuals or families
making 60% or less of the AMI.

This will provide

Applicant will provide updated equipment, TVs, and will work to	
provide personal trainers and/or group fitness classes.	
Business Center-	5,000
Applicant will provide computers and internet in the business center to	
provide residents a place to work and conduct meetings, which is useful for	
residents who work from home. This will also allow residents who may be	
searching for a job, a place to go to apply for jobs online and print resumes.	
BBQs every 6 months-	1,000
Applicant will host free BBQs and other gatherings for residents every	
six months to help create a sense of community. By hosting outdoor	
events, residents will be able to enjoy time outside.	
Financial Education Classes-	500
Applicant will seek to establish a partnership(s) with nonprofit agencies to	
provide education and training for financial literacy with budgeting and	
investing, credit repair, tax counseling and preparation for homeownership	
for tenants. These classes will help residents make informed financial	
decisions and allow them to work towards their financial goals.	
High Efficiency Appliances-	TBD
Applicant will install new energy-star washer and dryer units in the Laundry	
Facility. These units often use less water and are gentler on clothes, which	
can help extend the life of garments and save residents money

Development Plan: (\$975,000 Total)

1. Applicant will paint the exterior façade so that all buildings are uniform (\$200,000.00).

2. Applicant will provide upgrades to the exterior signage on the Property (\$50,000.00).

3. Applicant will replace the roofing on all buildings on the Property (\$250,000.00).

4. Applicant will renovate and provide updates to the Clubhouse to make it a place for tenants to safely gather (\$100,000.00).

- 5. Applicant will update all HVAC units on the Property (\$150,000.00).
- 6. Applicant will replace and upgrade all doors on the Property (\$75,000).
- 7. Applicant will repair the pavement and concrete on the Property (\$150,000.00).

Proposed timing/anticipated dates for the following:

- **a. Closing of the loan, bond, or related supplemental financing:** End of February or early March 2023 (closing on purchase of the property)
- **b. First expenditure of funds related to the project:** ASAP after acquisition of the property and approval of the PILOT
- **c. Anticipated date of demolition and/or commencement of construction:** ASAP after approval of the PILOT
- d. Anticipated completion date of the project: 3 years from commencement
- e. When the project will be placed into service: The property will operate during renovations
- f. Anticipated closing date for the PILOT: ASAP after approval- March or April 2023

Additional Statements:

- 1. Although there are not individual washing and drying machines in each residential unit, there will be a laundry facility on the Property for residents to use. High-efficiency washers and dryers will be provided in the Laundry Facility.
- 2. Please note that Applicant has talked with Shelby County Code Enforcement, as well as the City of Memphis Lead Public Records Coordinator, and has filed a Public Records request to determine whether the Property has any pending or open code citations. Once applicant receives the information back from the City of Memphis, it will provide the Board with that information. Applicant has also reviewed the online records for Shelby County Environmental Court, and it appears that there are no open proceedings related to this Property. Applicant will provide the information regarding pending or open code citations as soon as possible and will provide any other supplemental information the Board requests.
